Hello.

These days, it's great to learn all you can, to help yourself and others to a better, healthy life style. But it's costly to do so.

Over the last twenty years, I have focused on developing a great home study course/material to achieve that goal while keeping the cost down. Because I'm a great believer in education, I offer it to the public, not just my Nature's Sunshine down line. If you wish to become a Certified Herbalist, please fill out the form included and return with your \$100.00 payment. (This price good until April 1, 2010.)

I'll send the book "Today's Herbal Health" by Louise Tenney and 4 pages of homework back for you to get started. If you happen to have this book, you can deduct \$25.00 off the cost of the course. You can often find this used book at www.amazon.com for around \$15.00.

Please feel free to call me at (817) 489-2466. My web site address is www.mynsp.com/LBS and my email is nsplbs@yahoo.com.

I'm excited about your interest, and I look forward to working with you in the future.

Sincerely,

Dr. N. I. Jenkins
